What is the practice in the Bangalore and Mysore City Municipalities as regards land situated within the municipal area, [redacted] on which some land revenue is recovered? I believe, in Bangalore, it is credited to the municipality while in Mysore it is not so credited. The Mysore municipality seems to have raised this question of crediting the land revenue to the municipality as in Bangalore

The rules now in force of 1903 are to the same effect

It does not seem that any land revenue was or is recovered under the Municipal Regn. The transposition, and modification of the words "due under the Regulation" in the notification of 1896 does not seem to have been suitable.

Please ascertain by a D O to the Vice Presidents, Bangalore and Mysore, whether persons paying land revenue in respect of lands situate within the municipality are entitled now included in the lists of voters and candidates

The question for consideration is whether persons paying land revenue ~~in respect~~ in respect of lands situate within the municipality may be entitled to vote and to stand for election Id is only in the Bangalore City that land revenue is credited to the municipal funds. The authority for this is however called in question and the legality and propriety thereof is under consideration

The Election Rules in this Province were first framed in 1891 on the basis of the Rules in force in the C and M States

They were modified in 1892 and again in 1896. The modification made in 1896 has an important bearing on the present question. According to those Rules, a person to be qualified to be elected as a municipal Councillor must have paid to the City municipality land revenue leviable under the Regulation ~~notes~~. The modification of the qualification of voters was stated to be one which necessarily followed from that of the qualifications of ~~voters~~ of municipal Councillors. 1 Proposed para VI of Rule 4 and Sub para (e) of para (1) of Rule 6, regarding landholders

The Election Rules recently sanctioned do not provide for persons paying land revenue to Govt on respect of agricultural land to vote at a municipal election or to be elected as Municipal Councillors The payment of land revenue to Govt, ~~however~~ however high it may be, by a person residing within Municipal limits, is not regarded as a qualification to become a voter and much less to become a Councillor Under Rules III (e) and IV (a) of the old Election Rules, persons residing in the Bangalore City who paid in respect of the year immediately preceding the election land revenue of Rs 10 and Rs 5 in respect of lands situated within the C.
